# Program Highlights

- ★ Affiliation with European academies and clubs to inculcate best international coaching practices.
- ★ Development-centric methodology & certified curriculum from DFI (Germany).
- ★ Sessions will be conducted by licensed Indian coaches under the supervision of our International Technical Director and Head Coach.
- ★ Advanced coaching of elite team with International Coach.
- ★ Match Days – Practise matches, inter-academy matches at regular basis.
- ★ Total focus on grass-root development with progressive coaching for each age category.
- ★ Positive and structured sessions in order to nurture young talent and help players fulfil their potential to become professional football players.
- ★ Participation in Local, National and International tournaments.
- ★ Evaluations & feedbacks at regular intervals.
- ★ Opportunity for talented students to get scouted for summer camps in Europe, and thereafter, if found suitable, for long term programs along with schooling.

## ABOUT TSG FOOTBALL SCHOOL

The Sports Gurukul Football School (TSGFS), a division of The Sports Gurukul LLP, is a unique way for coaching young talented footballers (4-18 years) by UEFA trained and certified coaches. TSGFS trains potential footballers at the grass root level and makes them aspire to play for Clubs/State/Nation. TSGFS is backed by Eric Benny Football Academy (EBFA) and one of the biggest names of International football academies, Deutsches Football Internat (DFI) - Germany. TSGFS will also have regular scouting programs for both DFI - (Germany) and FC Metz - (France).

## From Guidance to Goal – A Football Dream Come True TESTIMONIALS

My 9 year old boy was scouted by EBSM through TSGFS for a football training program in Germany. Training from international coaches, state of the art equipment, global exposure, constant mentoring & monitoring is the hallmark of EBSM. Thanks to TSGFS for making this happen and for guiding my son to his goal.

- Sandeep Kadam, father of Yuvraj Kadam
